

KAUAI

- Soft eco-friendly yarn made of recycled plastic bottles
- Handwoven Handspun Jute & PET Yarn
- Made in India

Design: _____

Sizes:

5' x 7' _____

6' x 9' _____

8' x 11' _____

9' x 13' _____

What is PET Yarn?

Pet Yarn is made from recycled PET plastic bottles. Single use plastics, such as water bottles, are a worldwide environmental hazard.

In India, more than half of PET bottles are recycled into other products, especially polyester fibers used in manufacturing textiles.

Kas is proud to be at the forefront of creating products from recycled plastic fibers that prevent PET plastic bottles from being buried in a landfill.
